Summary

As an aspiring Frontend Software Developer, I bring a strong foundation in HTML, CSS, JavaScript, and React, coupled with a basic understanding of MongoDB, Next.js, Express.js, and Node.js. My problem-solving skills are honed through projects and coursework, supported by a solid grasp of C++ and fundamental data structures and algorithms. Eager to contribute, learn, and grow in collaborative environments while delivering impactful solutions.

Key Skills

Data Structure & Algorithm | Problem Solving | Web Development | Interface Designing | Web Security | Coding & Troubleshooting | Deployment & Hosting | SDLC

Technical Skills

- **Programming languages:** C++, JavaScript
- **Web Technologies:** HTML, CSS, Node.js, Express.js, Figma.
- **Libraries & Frameworks:** React, Redux, Tailwind CSS, Bootstrap
- **Version Control:** GitHub
- **Data Management:** MongoDB, Mongoose

Projects

Kissan-Bazzar | Technologies: React, Node.js, MongoDB, Express, HTML, CSS | [Live](#) | [Source-code](#)   **May'24**

- Developed a real-time ecommerce platform using MERN stack, supporting 500+ unique natural farming products.
- Implemented an efficient admin interface for farmers, increasing farmer-to-customer transactions by 30%.
- Enhanced user experience and system performance, achieving a 40% reduction in page load times.

Galaxia - AI Chat Assistant | Technologies: React, API Integration, CSS, HTML | [Live](#) | [Source-code](#)   **Apr'24**

- Built 'Galaxia,' a Gemini clone with ReactJS, boosting user engagement by 35%.
- Integrated Gemini API for real-time data, achieving 95% accuracy.
- Enhanced responsiveness and performance, improving load times by 45%.

PassOp-Password Manager | Technologies: React, Tailwind | [Live](#) | [Source-code](#)   **Apr'24**

- Crafted a real-time password manager application using React.js and Tailwind CSS.
- Optimized CSS to achieve a notable 42% reduction in page load time, enhancing overall performance.
- Implemented robust functionalities for users, allowing users to securely save, update, and delete passwords.

Education

K.K. Wagh College of Agriculture Engineering & Technology, Mahatma Phule Krishi Vidyapeeth, Rahuri. **2019 - 2023**
*Agricultural Engineering | **CGPA: 8.5***

S.S.G.M. College, Kopargaon   **2018 - 2019**
*HSC (Class XII), **Aggregate: 71.60***

Certifications

- FreeCodeCamp **Responsive Web Design**
- FreeCodeCamp **Front End Development Libraries**
- **JavaScript** Certification by KG Coding
- Meta **Introduction to Front End Developer**

Achievements

- Solved 400+ Data Structure & Algorithm Questions on Leetcode
- Participated in Weekly & Biweekly Coding Contest on Leetcode Achieved 1524 Global Rank
- Participated in Open-Source & contributed in good repositories.
